

Yuro Felton "Yul" Bray

May 1, 1962 - November 2, 2022

Yuro Felton "Yul" Bray, 60 of Leesburg went to be with the Lord on November 2, 2022.

My husband had a heart of gold and was my very best friend. He was generous to a fault. Everyone that knew Yul liked him. He was upbeat and positive and always willing to help anybody with anything. He worked his whole life until he got very sick. After he beat lung cancer he went right back to work. He was so kind and giving that no matter where he was working as a forklift driver, an electrician or his last job as a comcast installer/technician. All of his co-workers loved Yul and were calling him for help or advice if they were stuck on a job. Yul was always ready to help them – day or night – even on his days off. He was so very patient. He used to be a big rig truck driver before I met him. This was our second marriage and at our later ages the LORD blessed us with two children: Jeremiah Joel Bray who is 15 years old and will be 16 this month on November 19 and we call him JJ and Abigail Rachel Bray who is 14 years old and we call her Abby. Both of our children loved Yul so very, very much and were so close to him. Yul was an excellent father and a wonderful mate – my best friend. He gave us all of him, devoting his whole heart to us. He was dependable, reliable, and faithful. He will always be missed and loved by us and no one could ever take his place.
