“ I loved my aunt yvonne. Not a day goes by that I don't think of her. She could always make you laugh. I loved when she would tell the popcorn story of her and my dad when he was watching her. We loved to shop when I went to the villages and go garage saving. I would have garage sales all the time. She would always load the van up of stuff so she had more room to buy more stuff. My aunt through the best Christmas parties in Michigan. I will never forget my best friend my second mom. I miss her so very very much. Can't wait to see her again. I will give her the biggest hug. Love you forever and a day aunty.
