“ Sybil and girls: We were so sorry to hear Saturday that Terry had spread his wings. I was so pleased to visit with him a few weeks ago when he was in the shop and see how well he was doing. Terry was always so very positive, so very pleasant, and an inspiration to us. We are so fortunate to have know him. I pray the memories you all have will help you through this difficult time, as I know you have so many cherished memories. God Bless you all and we will keep you in our prayers. Much love, Scott and Beth Irving

“ We met Terry some years ago out "in the woods" for a Thanksgiving celebration and although it was the first time we met the whole gang, we were treated like family and felt very welcome. Terry rode in on his 4 wheeler with the seat chewed halfway off and proceeded to tell us the story about the bear who ate it while he (Terry) watched from high up in the tree! Not sure if he was in his deer stand on just hight up in the tree! Our thoughts and prayers are with the family and freinds that he cherished so much.

“ *Im so so sad Terry has left us, It will hurt not seeing him at the camp, My prized memory is when Terry and I sat in his deer stand together, and he shot and killed a seven point buck. It was like watching a movie it was so awesome. I pray God will give us "all" comfort!!!!*
