“ Zach was my very first friend. He was the only one who would talk to me in kindergarten do to my speech impediment. From that day on we called each other brothers. Zach would always just out if no where would just make sure i am doing okay even though we talked pretty much every day. Zach will always be my brother along with Rodney. (i would have said something sooner but just found out about this site from Rodney)

“ I am so sorry for the passing of Zacherey, my condolences to the Anderson's and Family. I too recently loss a loved one and what brought me great comfort was Revelation 21:4-"And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."
What a wonderful promise from God! I hope this will bring you as much comfort as it did me
