“ *Eli -- Our thoughts and prayers are with you and your family. As short a time as we knew her, we felt as though we knew Zona for years. She was a blessing.*

“ *Eli and Family I can't express enough how I felt when reading this in the paper. Zona was a big part of my life at Timet years ago and took me under her wing. She was a wonderful lady and my deepest sympathy goes to you and the family. She will always have a special place in my heart as she will in yours. God Bless you all and Rest In Peace My Friend.*

“ *Dear Mr. Mraovich, Rudy, Kem, and Kelly, What a beautiful photograph! We had such a fun times when you lived next door. Growing up is tough! But we have tremendous childhood memories. What I loved most about Mrs. Mraovich is that she was always full of life and spunky! It is good that we have been able to keep in touch through all these years. Perhaps we will see you soon in Florida ... until then, you are close in my heart. Love, Missy*

“ Eli, Rudy, Kem and Kelli I am so sorry to hear about Zona's passing. I have such wonderful memories of the "BIG Z" and all of my times coming to visit in Ohio. She had always made me feel welcome and showed me a "good time". She has such a great capacity of love and feel honored that she had included me in her "family". I love you and will miss her greatly.

“ I forgot the most important thing. How Zona and I "BONDED" over our mutual love of Jack Lambert. No Steeler before or since has taken his place in our heart!!!

“ kem, you did a wonderful job at keeping us posted. U didn't just share news, you shared emotion. You help show that it's not just one's pain and suffering, yet it's felt in a tidal wave that hits so many on all levels. I hope you and your family can find a sense of peace during this difficult time. truly, tammy calta

“ Our very deepest sympathies for the loss of your wife, mother, and grandmother. Zona was such great fun to be around! She taught me how to drink my first glass of white wine, and "saunter" (one hand in hip pocket, head held high, with a little "swing" to your gait) to the restroom whenever out in a public venue. My mom and her pulled many "allnighters" talking and laughing about who knows what!!! She had an infectious, throaty laugh, and could light up any room just with her presence. I'm sure there are many more things I could write about "Zona Mae," but would like to end by saying that she was special in every way, and we are comforted by the fact that she has left such a wonderful family legacy, and she is at peace.
